cook again

Tell It! – If you
cook so
together

SCENARIO

Your son is getting ready for a first date. He has been nervous all week and has been taking hours getting ready. As he comes down stairs you see his mismatched outfit, greasy hair and smell the whole bottle of aftershave he has put on. The poor thing looks and smells a mess. He asks for your opinion.

Do you Shhh or Tell It?

Shhh! – He should keep his own style.

Tell It! – He should be told out at all.

SCENARIO

You're on a bus and it starts pouring with rain outside. You realise that you have left your umbrella at home. The person sitting next to you gets up in order to get off at the next stop when suddenly you realise they have left their umbrella behind; it could be yours. ***Do you Shhh or Tell It?***
